First Grade

Prayer is a very important aspect of our religion and our goal is to help our students grow to love and understand our Islamic Faith. Our students are taught about Salah in their Quran and Islamic Studies classes. Here is the 1st Grade implementing what they learned.

Second Grade

Our Kindergarten, 1st, and 2nd grade classes are implementing IReady in our daily instruction. IReady provides many fun learning tools for the students that can be easily tailored to their needs.
