## Celebrating Prophet Muhammad (PBUH)

This month, our students spent lots of time learning about Prophet Muhammad (PBUH). They spent time learning about his life, his characteristics, and his Sunnah. The students shared what they learned with their parents during our "Celebrating Prophet Muhammad (PBUH)" event. During this event, each class presented Quran, Islamic songs about Prophet Muhammad (PBUH), and did a fun activity about him with their parents. Thank you to the teachers for all their hard work. We are so incredibly proud of our students! Thank you to those who helped support our event as well!
