## FALL FESTIVAL

We had a wonderful Fall Festival, and it wouldn't have been possible without the hard work and dedication of our PTO team and all the volunteers who helped make it a success. Thank you to everyone who joined us and supported the event—we're so grateful for our amazing school community!

## LEARNING ABOUT PROPHET MUHAMMAD (PBUH)

Our students spent time learning about the life and character of Prophet Muhammad (PBUH). As part of our curriculum, we work to incorporate his teachings into our daily lessons, helping students practice kindness, respect, and good character in their everyday lives.

## STEAM LEARNING

Our students have been actively engaged in STEAM activities that encourage problem-solving, creativity, and hands-on learning. They worked on experiments, building projects, and problem-solving challenges that encouraged creativity and teamwork. Through STEM, our students are developing critical thinking skills and a love for innovation.
